

RII30820 CERTIFICATE III in Civil Construction Plant Operations

Dickens Assessment and Training Services (DATS) is a Registered Training Organisation (RTO) established in 2007. DATS provides quality assured and nationally recognised training within the Civil Construction Industry.

Qualification

This course is aimed at candidates already employed in the civil construction industry. Successful completion of RII30820 Certificate III in Civil construction Plant Operations will provide you with a nationally recognised qualification and card that has equal worth Australia wide. There are no entry requirements for this qualification.

Flexibility

We tailor our training program to be completed on the job (on-site) or at our Training facility at Coffs Harbour. Our training is face to face, one-on-one or with a small group. On-site training means minimal downtime. We commence with a Recognition of Prior Learning (RPL) process with each student and this ensures the student achieves acknowledgement of any prior learning or tickets.

Funding

Smart and Skilled is a government funding reform of the NSW vocational education and training system. Smart and Skilled provides eligible students with an entitlement to government subsidised training up to and including Certificate III level courses.
