

Unit:	RIIWS202E - Enter and work in confined spaces
Price:	\$350 per person
Duration:	1 day
Location:	Our venue, or your worksite for groups (please ask us for a quote)
Pre-requisites:	Identification, USI, adequate literacy & numeracy and adequate health and fitness to carry out the work safely.

This course aims to meet the training requirements of the WHS Regulation with regards to “Working in a Confined Space” and Australian Standards 2865-2009 *Confined Spaces*. Confined Spaces are potentially high risk workplaces, because their atmosphere can change quickly and without notice.

Confined Spaces may include tanks, silos, manholes, pump stations, dry wells and reservoirs.

Course Delivery

A learner guide and review questions will be provided to the student prior to course commencement. To fulfil the training requirements for this course, the student must read through this, complete the review questions and bring both with them on the day.

This course is delivered face-to-face including classroom theory and practical training in a simulated confined space environment.

Course Content

The course outlines the following:

- Confined Spaces Legislation, Codes of Practice, Australian Standards
- Confined Space Hazards
- Risk Assessment and Workplace Safety Procedures
- Selection, fit, use and maintenance of entry/exit/heights equipment
- Gas Monitoring
- Rescue Drills and Fire Protection

Course Requirements

- Appropriate clothing, including a hi-visibility shirt/vest and enclosed shoes or boots
- Adequate health and fitness to carry out tasks safely
- Meet all pre-requisites listed.

Course Fees

All enrolments are considered tentative until payment has been received.

Course Outcome

Upon successful completion participants will receive a Nationally Recognised Statement of Attainment in *RIIWS202E - Enter and work in confined spaces*.

It is recommended that a refresher course be undertaken every 2 years.

Dickens Assessment and Training Services (DATS) is a privately owned Registered Training Organisation (RTO), providing quality training and assessments for individual students, industry and the vocational education and training (VET) sector. DATS was established in 2007.

We specialise in onsite and site-specific training and assessments and cover Verification of Competency in all courses offered. Our services cover all areas of Queensland and NSW. DATS also has training facilities at Eagle Farm (QLD), Willawong (QLD), Coffs Harbour (NSW) and Macquarie Park (Sydney, NSW). DATS has access to plant & equipment to support the training programs.

The successful completion of one of our accredited training courses will provide your staff with a nationally recognised statement that has equal worth in all states and territories (individual licensing authorities set different requirements for their own states/territories).

SHORT COURSES OFFERED

Courses have two distinct phases, a training phase and an assessment phase. DATS has an extensive range of training programs accredited by ASQA.
